Principal's Message

P&C

Thank you to all the parents and teachers who attended our P&C meeting last night. The P&C comes with the highest endorsement from me as it provides an avenue for parents to be active partners in the education process. A very productive evening was had and we look forward to implementing some new ideas to create greater accessibility to meetings and ensure effective communication of events. Further details regarding these changes will be communicated shortly. It was wonderful to see so many faces, including new parents for 2019. I look forward to continuing my support and extend to you a warm welcome to the final meeting of the year which will be held on Monday 3 December (search for the Facebook event for more details).

Gold Assembly

This Thursday will be the first of two Gold Assemblies held in Term 4. As always you are invited to celebrate the successes of our students and see some wonderful performances. Hope to see you at 2:15pm in the hall. Please note that the date for the second Gold Assembly to be held later in the term has had to be changed to facilitate high school orientation. The new date is Monday 3 December.

Handover

This week marks the final week of my 9 week opportunity in 'the chair'. Mr. Redfern returns on Monday and Mrs. Breasley and I will go back to job sharing the admin assistant principal position. I sincerely thank Mrs. Breasley for stepping in full time to support me and our students during this time. A thorough handover will occur with Mr. Redfern to ensure a smooth transition into the remainder of the term.

We would love to be able to continue our current level of fundraising and keep providing the school with resources and services that benefit the education of our children, to do this we need **your** support, come along to a meeting or drop me an email to find out more - everyone is welcome. jenleewin@outlook.com.au
